ABOUT MAZ

WHO WE ARE

MAZ is an engineering, project management, studies and analysis consulting firm for the oil, gas and technology industries. MAZ intends to become a leader in Africa in the field. We aspire to establish a global presence in the oil and gas industries as well as in technology, promoting values of excellence and expertise.

Our commitment and our dynamism allow us today to create lasting and solid relationships with our clients who wish to invest in the future.

Our vision is to become a global firm trusted by governments, oil and gas firms and all valued partner. Our mission is to provide highly specialized services and expertise, and building partnerships based on resilience and integrity.

OUR EXPERTISE

OIL

Assessment, certification of reserves, auditing & due diligence.

MINING & GAS

Assessment, certification of reserves, engineering & due diligence.

OUR SERVICES

ASSESSMENT - AUDIT - ADVISORY

MAZ has the key expertise and resources in-house in oil, gas and technology to conduct evaluations and certifications of reserves, due diligence, cost audit and provide technical control and inspection.

PROJECT MANAGEMENT

Our project management service supports our clients from the preparation and administration of offers to final implementation. Our goal is to support our clients from start to finish while representing their best interests.

ENGINEERING

We provide the most practical concepts and solutions adapted to your needs. We cover many engineering disciplines while adhering to recognized international codes and standards and applicable statutory rules.

SPECIALIZED ENGINEERING STUDIES

We perform studies to assess the market opportunity and validate the technical and economic feasibility of proposed designs. We provide basic and detailed engineering designs for construction.

The logo for MAZ Oil & Gas features the word "MAZ" in a bold, blue, sans-serif font. The letter "A" is stylized with a white outline and contains a flame icon in orange and yellow. Below "MAZ", the words "Oil & Gas" are written in a yellow, sans-serif font.
